SCAQMD Continues Smoke Advisory for Fire Burning in the Lake View Terrace, Sylmar, Santa Clarita, Getty Center, and Murrieta Areas

This advisory is in effect through Sunday morning, Dec. 10. SCAQMD will issue an update if additional information becomes available.

A brush fire, named the Creek Fire, is burning in Los Angeles County near Lake View Terrace and Sylmar. The burn area is currently reported to be approximately 16,000 acres with 80 percent containment. Strong northeast winds are expected to continue through at least Saturday afternoon bringing smoke into the western portion of Los Angeles County. Air quality may reach Unhealthy levels or higher in areas directly impacted by smoke.

A second fire, named the Rye Fire, is burning in Los Angeles County near Santa Clarita. The burn area is reported to be approximately 6,000 acres with 65 percent containment. A third fire, named the Skirball Fire, is burning in Los Angeles County off the 405 freeway near the Getty Center. The burn area is reported to be 475 acres with 50 percent containment.

Strong northeast winds are expected to continue through at least Saturday afternoon bringing smoke into the western portion of Los Angeles County. Air quality may reach Unhealthy levels or higher in areas directly impacted by smoke.

A fourth brush fire, named the Liberty Fire, is burning in Riverside County near Murrieta. The burn area is currently reported to be approximately 300 acres with 90 percent containment. Strong northeast winds are expected to continue through at least Saturday morning bringing smoke into the southwestern portion of Riverside County. Air quality may reach Unhealthy levels or higher in areas directly impacted by smoke.

Areas of direct smoke impacts and Unhealthful air quality include portions of:

- West San Fernando Valley (Forecast Area 6),
- East San Fernando Valley (Forecast Area 7),
- Southwest Los Angeles County Coastal (Forecast Area 3),
- Northwest Los Angeles County Coastal (Forecast Area 2),
- Lake Elsinore (Forecast Area 25), and
- Temecula Valley (Forecast Area 26).

All individuals are urged to exercise caution and avoid unnecessary outdoor activities in any area directly impacted by smoke. This includes areas where residents can see or smell smoke.

In any area impacted by smoke: Everyone should avoid any vigorous outdoor or indoor exertion; people with respiratory or heart disease, pregnant women, older adults, and children should remain indoors. Keep windows and doors closed or seek alternate shelter. Run your air conditioner if you have one and keep the fresh air intake closed and the filter clean to prevent bringing additional smoke inside. Avoid using a swamp cooler or whole-house fan to prevent bringing additional smoke inside. To avoid worsening the health effects of smoke, don't use indoor or outdoor wood-burning appliances, including fireplaces.
